

ATLANTA
FACES *of* DESIGN

*CHRISTY
DILLARD
KRATZER*

With a fresh design perspective and keen knowledge of the marketplace, Christy Dillard Kratzer has been creating award-winning interiors for more than twenty years.

Employing a customized approach that reflects her residential and commercial clients needs and interests. Christy's look translates into a variety of signature styles that are timeless and classic. Her wide range of design aesthetics spans from traditional to modern, and stems from her ability to combine classical details with contemporary and comfortable elements. Regardless of the size and scope of the project, Christy's fresh approach, attention to detail, and creative design solutions result in beautiful and elegant interiors.

Christy's office is in Atlanta, and she works on projects throughout the Southeast, including residences, show houses, and commercial spaces. She has designed many second homes for her clients, and considers it a great compliment when she's called to work with her clients on additional projects. Her work has been featured in Atlanta Homes & Lifestyles, LUXE Interiors + Design, Modern Luxury Interiors, and Southern Home.
